

Lifetime – All Inclusive – Transferrable Warranty

Window Planet Inc. warrants to the original purchaser of its vinyl windows and vinyl patio doors, for as long as you own your home, that our installed products will be free from defects in material and workmanship.

Our lifetime warranty will transfer (1) time to the next owner of the home, provided our Window Planet store is notified within 30 days of the property transfer date, along with a \$75 transfer fee.

Under normal use and service, this warranty applies to the following...

- ❖ **Vinyl Components:** Warranted not to crack, rot, peel, or pit.
- ❖ **Insulated Glass Unit:** Warranted against any seal failure.
- ❖ **Hardware:** Warranted to be free of defects in material and manufacturing.
- ❖ **Screen:** Warranted to be free of defects and not to stain or rust.
- ❖ **Glass Breakage:** Warranted against glass breakage, even accidental.

Our lifetime warranty covers all labor and materials needed to repair or replace any item of the vinyl windows or vinyl doors that we have installed, for no cost to the homeowner.

Acts of God, such as tornados, floods, vandalism, fires, riots, and damage due to unauthorized product modifications, are not covered by this warranty.
